Job offer and opportunities

A New section of AMPERE EUROPE website!!!!!!

Dear AMPERE member,

in the “**Job offer and opportunities**” new section of AMPERE EUROPE website (<http://www.ampereurope.org/>) you'll find information about employment, stages, Ph.D. positions and many other opportunities offered to and by AMPERE members. Offers will be received also from non AMPERE members but it is important that they are related to MW and RF activities.

We are asking you to be active and help us to enrich this new section of our website.

On behalf of the Management Committee,

Prof. Cristina Leonelli

Delegate for website and President of AMPERE
