

Surplus of used magnetrons from Univ. of Melbourne" in the news

Dear Member

I would like to let you know that I have 3 generators for sale to raise money to attend the next AMPERE conference at Krakow:

1) Two 2kW switch mode generators at 2450MHz 240V 50Hz ? Brand new with separate magnetron heads and isolators. Best offer.

2) One brand new 5.8GHz 0.8kW CW and 1.6kW 1kHz pulsing with separate magnetron head and isolator. Best offer.

Warm regards,

Nguyen Tran
