

AMPERE 2015

15th International Conference
on Microwave and High Frequency Heating

14-17 September 2015
KRAKÓW

The **15th International Conference on Microwave and High Frequency Heating (AMPERE 2015)** is the largest European microwave heating conference attracting a global audience and will be hosted from 14-17 of September 2015 at the Cracow University of Technology.

The conference aims to bring together delegates from the national and international academic and industrial community and in particular from the rapidly growing microwave chemistry community to discuss current trends in Microwave and RF system design and process development.

Conference Chair

Prof. Dariusz Bogdal

www.cyfronet.krakow.pl/~pcbogdal

Invited speakers

Prof. Kama Huang, Prof. Yoshio Nikawa Ph.D., Dr Edward Reszke, Prof. Andrzej Stankiewicz, Prof. Chris Strauss, Prof. Rajender Varma

Important Dates

15 February 2015
second call for papers

30 March 2015
end of abstract submission

30 April 2015
notification about the results
of the reviewing proces

15 May 2015
end of early bird registration

30 July 2015
registration closes

14-17 September 2015
KRAKÓW

Conference themes

The conference evolves around thematic areas:

- Green chemistry
- Organic and Polymer chemistry
- Nanoparticles, nanomaterials and nanotechnology
- Process intensification
- Waste processing
- Source for microwave energy
- Solid state generators
- Sensors for microwave processing
- Modelling of dielectric heating
- Industrial processing
- Medical, biological and safety applications

Conference Facilities

- Conference hall Działownia
- Conference hall Kociołnia
- Fully equipped with projector, screen and sound system
- Air-conditioned, professionally-serviced hall
- Ample natural light and automatic blinds
- Accessible to wheelchair users
- Exhibition halls in the basement for poster sessions, with sound and air-conditioning systems
- Catering will be arranged
- Free parking area

Abstract submission

Template for abstracts (1 page) send by **30 March 2015**

Abstract submissions should be emailed to:
ampere@ampere.pk.edu.pl

Registration

Registration form, template for papers
(4, 6 or 8 pages) send by **30 July 2015**

Committee AMPERE 2015

Honorary President:

Prof. Kazimierz Furtak
The Rector of Cracow University of Technology

Conference Chair:

Prof. Dariusz Bogdal

Local Organizing Committee:

Dr. Katarzyna Matras-Postolek
Dr. Szczepan Bednarz
Dr. Marek Piatkowski
Ms. Sylwia Dworakowska
Ms. Beata Kwasek
Mr. Wiktor Kasprzyk
Mr. Mateusz Galica
Ms. Svitlana Sovinska

Budgeting and conference fee

The full conference fees including 3 days attendance, proceedings, delegate pack, lunches, refreshments, conference dinner are as follow:

Early Bird Student Rate (book before May 15 2015) - 250 EURO
Student Rate - 300 EURO
Early Bird AMPERE Member (book before May 15 2015) - 500 EURO
AMPERE Member - 550 EURO
Early Bird non-AMPERE Member (book before May 15 2015) - 530 EURO
Non-AMPERE Member - 580 EURO
Accompanying person (lunchs + conference dinner) - 100 EURO
The optional conference BBQ on a barque at Vistula River corner - 40 EURO
The full conference fees include 2 years AMPERE membership.
